

MUSHROOM SCIENCE VIRTUAL 2022

*An event organized by the
Malaysian Society for Biochemistry and Molecular Biology –
Special Interest Group: Mushroom Science*

The MSBMB Special Interest Group (SIG) Mushroom Science is deeply honored to host the second annual Mushroom Science Virtual 2022 (MSV2022) meeting.

We are pleased to invite mushroom researchers from all over Asia to gather in this meeting with the aims of stimulating research, encouraging academic exchange and strengthening networking connections. We are providing a platform for young scholars to discuss recent advances and future trends of Mushroom Science to advance their professional development.

ADMISSION TO MSV2022 IS FREE OF CHARGE*

*Please note that the MEETING LINK will be emailed upon Confirmation of Registration.

PLENARY SPEAKERS

Professor Dr. Hesham Ali El-Enshasy
Institute of Bioproducts Development
Universiti Teknologi Malaysia (UTM)
MALAYSIA

Asst. Prof. Dr. Siriporn Chuchawankul
Department of Transfusion Medicine
and Clinical Microbiology
Chulalongkorn University, THAILAND

Ms. Ng Szu Ting
Chief Executive Officer
Ligno Biotech Sdn. Bhd., MALAYSIA

Dr. Sunita Chamyuang
Mae Fah Luang University
THAILAND
